

Easter Egg Hunt Clue Cards

24 rhyming Easter clues for indoors and the garden —
cut out, hide, hop!

How to use these sheets

1. Pick 6–10 cards. Hide each card (with an egg) at the answer to the card before it, and hand over the first.
2. Put a big egg or a basket of treats at the final hiding spot.
3. Colour-code eggs per child so the speediest doesn't scoop the lot.
4. Count every egg you hide and every egg that's found — chocolate is poisonous to dogs, so collect any strays.
