

Treasure Hunt Starter Kit

FOR 3 YEAR OLDS

Six ready-to-cut picture clue cards + a how-to — no reading needed.

How to run it

- 1 Pick 3 to 5 hiding spots your little one knows well — the sofa, the toy box, their bed. Keep the whole hunt to 10–15 minutes.
- 2 Cut out the picture cards. Show your child the first card, help them toddle to that spot, and hide the NEXT card there — plus a small soft surprise.
- 3 Cheer every find! Keep the pictures big and obvious. If they lose interest, stop on a high and celebrate with the certificate.

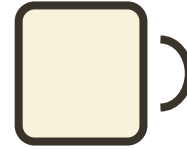

Safety first

Only hide soft treasures bigger than a ping-pong ball (about 4 cm). No coins, beads, grapes or small hard toys. Hide at floor-to-knee height and stay close the whole time.
